EDUCATION

pragati Engineering college

Electronics and Communication Engineering | Bachelor of Technology

CGPA: 7.87

Kakinada, Andhra Pradesh

August 2019 - June 2023

EXPERIENCE

CISCO

Bengaluru, India | November 2024 - Present

Software Test Engineer Trainee

- **Software Test Engineer Trainee at Cisco:** Automated testing using *Java* and *Selenium* to ensure software quality.
- **Currently developing a full-stack AI chatbot** using Azure OpenAI, Django, MySQL, and HTML/CSS/JavaScript, enabling **natural language query handling** and **real-time responses**.
- **Integrating Azure Cognitive Search** for **intelligent schema retrieval** and **dynamic SQL generation**.
- **CCNA Certified:** Proficient in networking, routing, switching, and IP fundamentals.

PROJECTS / OPEN-SOURCE

NETWORK BASED PATTERN SEARCHING | [Link](#)

Python

- Developed a **Network-Based Pattern Searching** project with **client-server architecture** to search for words in a file.
- Implemented **client-server communication** using **JSON requests** to query and return matching lines with line numbers.
- Designed a **Search class** to read, clean, and search file content efficiently, handling errors like "File Not Found."

SELF-FUEL DISPENSING AUTOMATED FRAMEWORK USING RFID CARDS

Embedded C, Arduino

Developed and implemented an RFID based self-fuel dispensing system, reducing operational errors and unauthorized access by 25%. Optimized transaction efficiency by 40%, improving accuracy and user satisfaction through advanced algorithms and real-time data processing.

SKILLS

Programming

Languages: Java, Python, JavaScript

Libraries/Frameworks: Angular, TestNG, JUnit, Django

Tools / Platforms: Git, Vscod, Pycharm, Cypress, Selenium, Aws, Azure OpenAI, Azure Cognitive Search, REST APIs, Postman

Databases: Mysql

CERTIFICATIONS

- The Joy of computing using Python - IIT-Madras through NPTEL.
- Python - **HackerRank**
- Cisco Certified Network Associate (CCNA) - **Cisco Systems, Inc**

HONORS & AWARDS

- Secured Elite + silver badge in **NPTEL certification**
- Earned HackerRank badges in Java ,python and SQL
